Dear Prospective Sponsor:

In 1999 a group of citizens concerned with preserving Elgin's history met and formed a museum and historical society board. Our primary purposes are to preserve the cultural heritage of Elgin and the surrounding area and community education.

At present, we are restoring the former police quarters in the Elgin Opera House for the museum. Funding has come from many organizations in Elgin, but we still need your sustaining support. We wish to extend an invitation for you to join with us in this vital effort. Sponsor benefits include:

- * Membership in the Elgin Historical Society
- * Bi-annual newsletter filled with historic facts and photographs
- * Notice of all museum events and programs
- * Participation in general membership meetings

Won't you please pledge your support by filling out the attached sponsor form today?
